

Electric, Gas and Steam Heated Dryers

The SEVE range of Tumble Dryers is available with Electric, Steam or Gas heating. SEVE dryers are available with fully automatic Micro Computer - A Models - or semi automatic Timer Control - B Models.

They are very heavily constructed with stainless steel inner drums, have wide, easy to load/unload doors and are energy efficient. All models are fitted with automatically reversing drums.

Features:

- Optional fully auto computer control - A Models.
- Optional semi auto timer operated control - B Models.
- All models have Reversing drum action (benefits: no tangling of large items, even drying, less wear on fabrics).
- All models have stainless steel drums.
- Heavy duty industrial construction.
- Large, easy loading doors.
- Large, easy to clean lint compartment.
