

## **SEVE XGQ - F Series of soft Mounted High Speed Washer Extractors**

**XGQ15 F**

**XGQ 23 F**

**XGQ 35 F**

**XGQ 55 F**

**XGQ 80 F**

**XGQ 100F**

**XGQ 120 F**

**XGQ 150 F**

SEVE washer extractors are high quality machines fitted with the latest modern features. They have easy to use fully programmable computer controls with an inverter drive running one motor and are very efficient in the use of energy, water and chemicals due to the excellent aspect ratio of the drum and sump design. The extraction speeds are variable. They can be fitted with automatic liquid chemical dosing systems.

### Features:

- Programmable computer control with clear display.
- Automatic testing to track down the operating condition in time.
- Advanced frequency conversion and speed-adjusting system.
- Suspension and shock absorption system to minimise noise and shock.
- All models fitted with inverter drive.
- Heavy duty fully stainless steel construction.
- Alternative hard mounted models available from 12kg to 55kg.
