

Professional Range

The SEVE Professional Range of Washer Extractors and Dryers is designed to meet the needs of small laundries: Ideal for Laundromats, Boutique Hotels, Clinics, Spas, Salons, Clubs, Hostels. Small capacity but brilliant performance, efficient, versatile, space saving + long lifespan.

PW 8-10-12

PD 8-10-12

PWD 8-10-12

PDS 8-10-12

Features:

- Heavy duty fully stainless steel construction
- Easy to program simple computer
- Inverter drive running one motor
- High aspect ratio of drum design
- Washer has variable extraction speeds
- Automatic chemical dosing
- Can be fitted with auto liquid dosing
- Dryers have stainless steel drums
- Dryers have reversing drum action
- Hard mount design
- Electric, Steam or Gas heating
- All models can be token operated

Benefits:

- Low maintenance & long service life
- Fully auto programs for all requirements
- Energy efficiency and reduced stress
- Uses less water, chemicals, heating
- Maximum flexibility
- Labour saving
- Maximizes chemical efficiency
- No possibility of rust marks
- Improved drying efficiency and no tangling
- Easy to mount to a concrete floor.
- Can be used "off the grid"
- Ideal for Laundromats and security control
